

# Our Colors

After giving careful consideration to the availability of seasonal colors, the impact on personal budgets, and our feminine focus as united sisters, **pink** and **black** and **white** have been selected as the Women of Royalty colors for the next four years. As an outward display of unity, **all** ladies are asked to dress in the following color combinations on **Wednesday (Women's Night)** each year. Feel free to continue to show our colors during the entire WOR Conference.

**WHITE**
